## **Department of Computer Engineering**

**Event Name: Expert Lecture: Web Technology (Joomla & WordPress)**

**Date of Event: 25th March 2018**

**Name of the Trainer: - Prof. Krushnadeo Belerao**

**Event Coordinator: Prof. Rajlakshmi Saner, Prof. Pramod Patil**

**Organized By: Department of Computer Engineering**

**Aim:** In Depth study of Joomla and WordPress

**Objective:**

1. To understand fundamentals of Web Technology along with Joomla and WordPress.
2. To introduce students a set of advanced topics in Web Technology and lead them to understand research in network.
3. To understand fundamentals of security in Web Technology.

**Venue: FPL Lab, Computer Center, SITRC**

**Audience:** TE (Div A & B)

**Outcomes:**

- Implement an architectural design for Web Technologies using Joomla and Wordpress for specified requirement.
- Understand the need of the market for the same.
- Develop interest in students in the field of Web Technology.

**About the Event:**

The session started with the introduction of the resource person. Prof Belerao interacted with the students regarding their knowledge in the field. Prof Belerao understood the requirement of students and being a professor himself, he was able to deal with students very well. The session was very interactive and lively. Our expert faculty taught the students of TE about the various concepts in the field of Web Technology. They explained the terms logically which helped the students understand the topic more easily. Session ended up with vote of thanks.

We can conclude from students reply that this session has helped them know about the Web Technology and need of Joomla & WordPress in today's market. This knowledge is not only helpful for enhancing the students technical abilities, but also for training and placement activity since many companies work in the similar field.

**Workshop on** “Web Technology: Joomla & WordPress” was successfully conducted and coordinated by Prof. Rajlakshmi Saner on 25<sup>th</sup> April 2018 at

FPL Lab, Computer Center, SITRC. There were around 140 students including both divisions of TE students of Computer engineering.

**Students Participated: 140 Students of TE (Div A & B)**

### **Event Name:** CAMPUS RECRUITMENT REPORT

Aress Software pvt.Ltd has conducted Campus recruitment drive on 27 th April 2018 in SITRC, Nashik. Aress is an offshore web, mobile and *software* development company expert in designing and developing custom applications, *software*.

HR & Technical Group came for searching suitable talent by conducting student interviews for Software developer.

The programme was coordinated by Mr.Indrajit Sonawane & started with warm welcome of Aress team .This was followed by small presentation by Team member of Aress software which gave detailed knowledge of company. After that aptitude test was conducted, students qualifying the aptitude test was then interviewed personally by the respective HR person & students selected in this finally interviewed technically by Team members of Aress.

Around 50 students participated in the campus interview drive, 20

students qualified aptitude test. Qualified students were then interviewed, results were declared after the interview round was completed.

Three students(2 from comp and 1 from IT) were shortlisted by the HR team.

Overall experience and feedback of the Aress team was very positive as the need of their organization to search the right talent to drive its business objectives is fulfilled by our students. Students were happy because they know that working with Aress is the right environment to grow and achieve their career goals.
