

Faculty Name: Mrs. Vaibhavi U. Patil

Designation: Lecturer

Mail ID: vaibhavipatil1994@gmail.com

Contact No:

BIO

Mrs. Vaibhavi Patil is lecturer at Sandip Institute of Pharmaceutical Science (SIPS), Nasik, India. She got her Bachelors in Pharmacy and Masters of Technology in Green Technology. Her research interest is Drug delivery system using nanoparticles and mesoporous silica. This includes knowledge of synthesis, analysis test of nanoparticles, mesoporous silica and Drug Delivery system. She has inspected many colleges for Inspection. Her peripheral interests lie in activities that include Travel, Music & Art.

Qualification:

1. B. Pharmacy
2. M. Tech

Area Research Work:

1. Synthesis and Application of Mesoporous silica and carbon nanoparticle for drug delivery system

Experience:

1. Teaching experience : 02 years

Subjects:

Pharmaceutics, Dosage form design
