Event Date: 2nd Feb 2019

Event Conduction Duration: 1.00 pm to 3.00 pm, 2 Hrs

Event Venue: SE Class room, C Building , IT Dept, SITRC

Event Resource Person Details: Mr. Abhishek Dhillpe

Name of Event Co-ordinator: Asst.Prof. P.R.Pachorkar

No of Participants: SE- 25 Students

Event Description:

“Blogger
Club
Activity”

is
initiated
by
Information
Technology

Department. Hon. HOD sir Dr. P. R. Bhaladhare addressed students about the club. The mission of the Blogger Club is to create a supportive environment

for
students
which
are
really
interested
in

blogging/vlogging to share their creativity, knowledge. The club holds regular meetings and discussions and organize events such as; Creating own Blog, Travel Vlog. Members will also explore the possible opportunities for blogging and organize exhibitions in campus.

Aim & Objective of the club:

To develop and creating own blogging site and its allied activities.

The aim of the Society is to harmonize all ideas and conduct creative idea talks and other

blogging related events with a broader perspective.

To organize various workshops and talks on the subject of their interest.

To promote, develop and encourage their art of blogging skill.

To provide a forum for the open discussion of matters of public interest, in the cause of

upliftment of society and to awake integrity and brotherhood.

- To make them Extroverts which is going to build their Communication skill.
- To make them express their feelings by writing their blog.

Blogging Session :

This session was conducted by Mr. Abhishek Dhilpe from SEIT student. It was totally on creating your own blog, how your blog should be, on which topic you can start blogging, Introduction to Vlogging too and many more things. The session was really impressive for students.
