Department of Electrical Engineering

Seminar Topic: “Electrical Safety”

Name of Expert:

- 1.Er.G.Chakurkar, AE, Institute of Training & Safety,Nashik (I & TS)**
- 2.Er.B.Patil, AE, I & TS.**
- 3.Er.P.Galunde, I & TS**
- 4. Er.S.Pawar, I & TS**

Target Audience: SE & TE Students

Name of Co-ordinator: 1. Prof.A.V.Satpute

As a part of MOU Signed between Electrical Engg Dept,SITRC and Institute of Training & Safety, Eklahare, Nashik (I & TS),The First activity i.e Seminar on “**Electrical Safety**” was conducted on 13th Jan 2017 by Expert Team of I & TS , Eklahare. Dr.P.G.Burade, Head of the Department of Electrical Engg. Welcomed and Felicitated the Team of I & T S, Eklahare.

Asst.Prof. A.V.Satpute introduce the Team of Experts from I & T S to students. Dr.P.G.Burade throw the light on “Electrical Safety” and its necessity and awareness . Er. G.Chakurkar gave the outline on Electrical Safety in day to day life. He explained how fatal accidents can be avoided by taking care of small things. With the help of Videos and PPTs , He enlightened the students about Do’s and Don’t’s while performing the Practical’s in lab and repairing any Electrical Instrument or Equipment.

Er.B.Patil distributed the Electrical Safety Informative leaflet which was beneficial for the Students of SE & TE. He also illustrates why Electrical Safety is gaining so much importance by sharing the Statistics of Accidents that occurred mainly due to negligence of Electrical Safety. He further added the importance of RCB, ELCB & MCB in Electrical House hold and Industrial Wiring Connections. He further added that how Laxity with respect to Electrical Safety in Villages and Urban Town are causing major accidents.

We are very much thankful to the Team of I & TS, Eklahare. The Seminar on “Electrical Safety” certainly enhanced the knowledge of the Students and change the mindset and outlook towards the safety related to Electricity. This was the First Activity undertook as per the MOU signed with I & TS, Eklahare. We are looking forward for many such valuable events in the future with full co-operation.

Dr.P.G.Burade Welcoming Er.G.Chakurkar

Dr.P.G.Burade Welcoming Er.B.Patil

Asst.Prof.R.B.Sadaphale welcoming Er.S.Pawar.

Er.B.Patil Explaining the Do's & Don't's to students
